1. What We Will Do For You

We will supply and professionally install a water softener system at your property. This includes: a pre-installation site assessment; supplying the unit and all necessary fittings; installing and commissioning the system; testing and demonstrating the system; and providing this document pack. Anything else such as electrical work or replastering is not included unless specifically agreed in writing.

2. Your Quote and Price

We will give you a written quote before any work begins. Your quote is valid for 30 days and includes VAT at the applicable Irish rate. If something unexpected arises during installation we will always stop and discuss it before continuing. We will never charge extra without your written agreement.

3. Payment

A 50% deposit is required to secure your booking, payable by Stripe card link, bank transfer, or cash. The remaining balance is due on the day of installation, once work is complete and you are satisfied. Receipts will be issued for all payments. The unit remains our property until the balance is paid in full.

4. Your Responsibilities

Please ensure the installation area and your mains stop-valve are accessible on the day. Let us know in advance about any known plumbing issues. Have an adult aged 18 or over present throughout. Arrange an electrical supply point if required — we do not carry out electrical works. In winter, protect the unit from frost, especially if it is in an unheated garage or outhouse.

5. Your Right to Cancel

Under the Consumer Rights Act 2022, if we agreed this contract at a distance or away from our premises, you have the right to cancel within 14 calendar days without giving any reason. Contact us in writing to cancel — a text or email is fine. If you ask us to start within the 14-day period and then cancel, we may charge for reasonable costs already incurred. After the 14-day period, your deposit may be retained to cover costs.

6. Our Workmanship

Our installers will take all reasonable care of your property. We are not responsible for pre-existing damage or issues not caused by us. If we cause accidental damage, we will let you know immediately and work with you to put it right.

7. Our Liability to You

Nothing in these terms limits our liability for death or personal injury caused by our negligence, or any liability that cannot be excluded under Irish law. Our overall liability will not exceed the total amount you have paid us. We are not liable for indirect losses such as inconvenience or higher utility bills.

8. If Something Goes Wrong

Call us first on (1) 726 7941. We aim to acknowledge all issues within one working day. If you remain unsatisfied, contact the CCPC at www.ccpc.ie or 01 402 5555.

9. Governing Law

This agreement is governed by the laws of Ireland. Your statutory rights under the Consumer Rights Act 2022 and the Sale of Goods and Supply of Services Act 1980 are not affected by these terms.
