This notice is provided in accordance with the General Data Protection Regulation (GDPR) and the Data Protection Acts 1988 to 2018.

Data Controller	ClearWaterIreland Tel: (1) 726 7941 Ireland
What We Collect	Your name, phone number, and email address. Your home address and Eircode. Details of the work carried out — installation date, system type, and service history. Payment records showing amounts and dates. Card details are never stored. Any correspondence if you contact us with a question or complaint. We do not collect sensitive personal data and we never sell your information to anyone.
Why We Need It	To carry out the installation and service your system. To process payments and keep financial records as required by Irish tax law. To manage warranty claims and callbacks. To contact you about your installation, scheduling, and follow-ups.
How Long We Keep It	We retain your records for 7 years after completion of work, in line with Irish tax and business requirements. After this period, your records are securely deleted.
Who We Share It With	We do not sell or share your information for marketing purposes. We may share it only with the manufacturer of your unit if processing a warranty claim, with our accountant to meet legal obligations, or if required by law or a competent authority.
Your Rights Under GDPR	You have the right to access data we hold, correct inaccurate data, request deletion in certain circumstances, restrict or object to processing, and request your data in a portable format. Contact us on (1) 726 7941 to exercise any right. We will respond within one month.
